Aggregate Mix Design List Window Description

The PCC Mix Design List window displays PCC Mix Designs for selected Effective Dates, Approved Dates, Material Codes, and Producer/Supplier Codes.

Procedure

The Kentucky Transportation Cabinet will not use this window at this time.

Field Table

| Field Name | Description | KYTC Population Policy & Procedure |
|-------------------------|---|---|
| Mix ID | The ID for the PCC mix design. | KYTC will not use this window at this time. |
| Material Code | The transportation agency-defined ID for a material. This is the material code for the PCC mix. | KYTC will not use this window at this time. |
| Material Code Full Name | The description of the material. | KYTC will not use this window at this time. |
| Producer Supplier Code | The transportation agency-defined ID for a source/location of the material. Producer/Supplier Code must have an active status on the Producer Supplier table, when entered. | KYTC will not use this window at this time. |
| Producer Supplier Name | Source name. | KYTC will not use this window at this time. |
| Designer Name | The name of the designer responsible for the PCC mix design. The designer name must exist on the Testing Personnel table, when entered. | KYTC will not use this window at this time. |
| Effective Date | Effective date for the PCC mix. Defaults to current date when a new PCC mix is entered. | KYTC will not use this window at this time. |
